New Schedule, New Formats

We have adopted a new 4-day class schedule. Traditional classes will run Monday-Thursday. The semester has also been shortened to 14 weeks. If daytime classes do not work into your schedule, maybe a night class will. All night classes meet one evening a week for three hours.

Blended courses are new for the Fall 2015 Semester. These 6-week long courses have a face-to-face component which meets once a week for 4 hours, and a 3-4 hour weekly online component. These courses are intense but are completed in only six weeks.

OOPS!

The address originally posted as Cal Christian's new address has been deemed unusable by the USPS. Please send all correspondence to:

Relocation
Update!

News Flash!

A New Chapter Begins

After several weeks of preparation, we were finally able to move into our new location at Harmony Church on July 13, 2015. Although we share the facilities with the church, Cal Christian has its own mailing address: **5364 E. Belmont Ave., Fresno, CA 93727**. Our phone number remains the same. Office personnel can still be reached by dialing (559) 251-4215 and

then dialing the appropriate extension when prompted.

We are deeply grateful for the cooperation and hard work of faculty, staff, students, former students, the Harmony congregation, and many friends who have helped make this transition possible. Pray for the timely completion of work preparing the library and

classrooms for the beginning of classes on August 24th.

Purchase Offer

Pray for the Board as they consider an offer of 1.5 million dollars from the Valley Dream Center. Their mission is rescue, restore, and release by providing counseling, education, job-training and job placement for people who have lost their way in society. The college would partner with them by providing some Bible classes. Also included is a citywide fund raising event November 17th for VDC on the CCC campus as both buyer and seller sign papers. Transfer of funds would then occur before December 31st.

Annual Celebration Banquet

Be part of our first Annual Celebration Banquet at our new location on October 16, 2015. Help us enjoy a fantastic send-off as we gather momentum for a fresh start to a new and greater future. This annual gathering of friends and alumni is the most important event of the year for show-casing the college and promoting prayer and financial support of the college. Don't miss it.

Join the crowd of friends, supporters, alumni, students, faculty and staff to see first-hand the new facilities. You will be pleased. Let's make it the biggest celebration ever as we begin a new chapter.
