Applications for admission are accepted up until two weeks before the first day of scheduled classes, after this date a late fee will be applied. (See current calendar for specific date). Students must complete the application process and be admitted to the college prior to end of the fifth working day after classes begin in order to enroll in the current semester. Notification of admission to the college is done for each applicant on an individual basis. Notification of acceptance will be sent as soon as all necessary documents are on file.

Transfer Credit Limit
Students should understand that, under California Educational Code CCR 71850, no more than 75% of the units of credit that may be applied toward the award of an associate or bachelor's degree may be derived from a combination of units earned at other institutions. The maximum transfer of units that may be applied toward an AA degree at California Christian College is 48 and 96 toward a BA degree.

- Students have a high standard of moral and ethical behavior that is in concert with general principles of Christian behavior (specified in the moral/ethical behavior document and verified through recommendations).
- The student has a high school or college GPA of 2.00 or better.
- The student has a high school diploma, GED, or equivalent. (Note: Non-English transcripts must have an approved English translation submitted with them)
- International students applying have a TOEFL score of 79 or higher.

For students coming directly from high school or students with less than 32 transferable units:
- Test scores: SAT 1 with a combined score of 700 or an ACT score of 14 **OR**

Core Values

California Christian College exists to glorify God, to extend His Kingdom, to serve people, and to impact the world. To those ends, the College community strives to exceed the expectations of its students, staff, and constituency in all endeavors. These **core values** guide the College's direction and decisions:

Lordship of Jesus Christ: California Christian College is based on the belief in the Triune God and that Jesus Christ alone is the Revelation of God in human form, the sole Redeemer of lost humanity, the head of the church, and the Controller of all creation.

Centrality of Scripture: The canon of historic Protestant Christianity is recognized as divinely inspired Scripture and provides the foundation for the College's faith and practice. As the locus of ultimate truth in written form, the Bible is the center of all curricula at the College, providing an integration point for all disciplines.

Love for God and Others: As a community, California Christian College is irrevocably committed to love God and to love others. Loving God captures the very heart of the Christian faith. Loving others means recognizing every person as created in God's image and, therefore, of inestimable worth. It means valuing individuals of all cultures and ethnicities, affirming their worth before God, recognizing their unique gifts, and engaging in mutual affirmation, edification, and growth.

Commitment to Excellence: California Christian College promotes integrity and excellence in all endeavors, from academic pursuits to professional demeanor to spiritual passion. This commitment includes discerning and fully developing the specific gifts God instills in each individual. It also assumes that the Christian faith calls every believer to the pursuit of excellence in all areas of life.

Priority of Service: California Christian College values service and sacrifice above self-promotion and self-advancement. This priority mirrors the model of Jesus Himself and captures the overriding mandate of the Bible.

Evangelical Heritage: California Christian College is a Free Will Baptist institution but seeks to avoid sectarianism by emphasizing the major tenets of historic Protestant Christianity. The College is committed to its evangelical heritage, strives to serve everyone with a similar theological perspective, and stresses charity toward all.

Our Mission Statement, Purpose Statement, Philosophical Statement, Biblical Foundation Statement, as well as our Moral and Ethical Statements all flow from these values. Please find references to these statements in our CCC College Catalog and the CCC Student Handbook.

If admitted to California Christian College, I agree to abide by the Standards of California Christian College and any policies that may be enforce while I am a student at CCC. I will cooperate wholeheartedly with administration, faculty, staff, and my fellow students in a life dedicated to the glory of God. I hereby state that all the information I have given is true and complete.
