2021 STUDENT EMERGENCY RELIEF GRANT

This grant is from the student portion of the Higher Education Emergency Relief Fund that was established during the Covid-19 pandemic. With the passing of the CRRSAA (HEERF II), institutions are required to prioritize students with exceptional need. However, students do not need to be eligible for Pell or receive Pell to get this grant. Students may also be enrolled exclusively in distance education (online programs).

Institutions may not (1) condition the receipt of financial aid grants to students on continued or future enrollment in the institution, (2) use the financial aid grants to satisfy a student’s outstanding account balance, unless it has obtained the student’s written (or electronic), affirmative consent, or (3) require such consent as a condition of receipt of or eligibility for the financial aid grant.²

TIMEFRAME

The awards for this grant will use the monies from the student portion of the CRRSAA (HEERF II) and the ARP (HEERF III), allocations/awards of HEERF. These will be awarded each semester. If we still have funds available at the end of 2021, we will extend awards to 2022. If we have funds from the institutional portion not already being used, we may pull from there to award students as well.

¹ For the initial report and each report thereafter, institutions should use data suppression and other methodologies to protect the personally identifiable information from student education records consistent with the Family Educational Rights and Privacy Act (20 U.S.C. 1232g; 34 CFR part 99). This means that if the total number of eligible students or the total number of students who received Emergency Financial Aid Grants is less than 10, but not 0, then the institution must display the total number of students eligible and/or the total number of students who received Emergency Financial Aid Grants as less than 10 (“<10”) on the publicly available websites controlled by the institution.

WHY THIS AMOUNT?

This formula is based on a fulltime student taking 12 units and receiving full time Pell and FSEOG during 2021-2022 school year.

12 units x \$400= \$4,800, plus fees of \$345 equals \$5,145

Half of Pell for 0 EFC is \$3,248 plus FSEOG of \$400 equals \$3,648

The difference is \$1,497 (5145-3648).

An award of \$2,000 will cover the difference plus give funds for books & supplies.
